

October 2023 York County Senior Center Virtual Programs – vol.33

Check Out the October **VIRTUAL PROGRAMS** Being Offered by York County Senior Centers...

So More People Can Stay Connected!!!

Jenna Wray, from White Rose Senior Center, and Jenna Ericson from Windy Hill on the Campus are coordinating the links for this Pilot Project from the York County Senior Centers who would like to participate. Many Centers in York County are doing Zoom, Facebook Live, and other platforms and we have decided to collaborate together to offer more programs and possibilities for our Older Adults in York County who maybe homebound or possibly isolated.

Each Center who wants to participate email Lisa with their programs for the upcoming month. She compiles a brochure of activities and then sends it out to each Center to distribute to their members. Jenna uploads all of the activities from each Center to a landing page on Windy Hill's website ([Virtual Programs at Other Centers - Windy Hill On The Campus](#)). You can also find the information on the York County Area Agency on Aging's website and Facebook page as well as many York County Senior Center's sites.

We have noticed more attendees to the activities and like all good things, it takes time to grow! Please share this with any older adult you may know. We envision this project continuing even after the pandemic ends. We desire to connect to every 60-year-old in York County!
